If selected, you will have the opportunity to coach some of the most talented players in Region 47. You will be entrusted wit the care and welfare of these players plus the long-term welfare of our region's soccer program. The Region's Board of Directors sincerely hope and desire the coach and each of these players to return the following year to our program in order to share their experiences and skills acquired during the All-Star and Select seasons with other players in Region 47. It is further understood that if the coach elects to participate in another program and encourages players to leave AYSO Region 47, the coach may be excluded from selection in the All-Star, Select, or any other advanced play program in Region 47.

In addition to the above statement, I have read and understood all AYSO Rules and Regulations, Region 47 Rules and Regulations, and understand the AYSO spirit and philosophies as outlined in the Redbook. I understand that all of these rules and regulations pertain to the All-Star and Select seasons.
